“ Please accept my sincere belated condolences for the family and friends. Aaron was one the best bosses I've ever had. I only wish I had kept in touch over the years and am especially saddened to learn of his futile battle with Cancer. Blessings of peace & comfort to everyone who knew and loved Mr. Aaron Pfefer

“ I'm truly saddened to have recently learned about Aaron's passing. My sympathies to all family and friends who were lucky to know him as he was quite a great guy. My sister Barb was great friends with Aaron, and I hung out with Daniel who is my age.

I've got some fun memories of Aaron as my family lived across the street from the Pfefers. I completely credit Aaron with teaching me how to pop a wheelie on the curb of our driveway on my tricycle as a kid. That was so much fun as I love cycling.

Always was a motorcycle or hot rod around, & he made custom go-karts with a chainsaw engine and once put a siren on it & chased our cranky neighbor Joe Bryant in his car down our street on 109th Terrace. Loved it!

I'm sorry to have lost touch with him over the years. I'm in Dallas now and visit my family in KC several times each year. Sounds like he lived life to its fullest & I pray his spirit lives on in everyone forever w/many memories.

Please pray for my sister as well as she is also currently in the middle of an on-going fight against cancer. Barb and Aaron were born 3 weeks apart, and attended school together. He was a very hip Dude I do recall.

On behalf of the Hoffman family, this is a tragic loss of a great person in our lifetime. May you all be comforted and strengthened in the days ahead. God bless his soul always now & may he rest in peace.

Ride on that Harley in heaven brother.

Peace/Love/Shalom2U,

Stuart Hoffman

“ Dear Debbie, the Pfefer family and Brenda McKinnon, Aaron's good buddy. We knew deep down that Aaron's valiant fight would be one he could not win -- but how he didn't give up. He made us feel just maybe?? Aaron left his mark on all of us. He was generous of mind and spirit and boy could he cook. We shall all miss him.

“ It has been a very long time since I have seen Aaron but he has been a man that I have looked up to. I have always held him in very high regard for being one of the first people in the beginning of my career 16 years ago, to give me a chance. I learned what would become the foundation of a very successful career that has taken me further than I could ever imagine. Aaron was a perfect example of hard work and I owe him that. I pray for those he leaves behind that the good memories out weigh the sorrow.

I am extremely sorrowed to learn of Aaron's passing. He was a dear member of our K.I family and worked with me on dinner events for the synagogue. I always enjoyed visiting with him at Shabbat services and many other events. He will be sorely missed.
