“ Dear Bev and family,
I am so sorry to learn of your mother's death. She was a kind-hearted person and I remember her equanimity in the face of many challenges. While she may have outlived many of her friends, I am sure she is not forgotten. May her memory continue to be a source of inspiration and direction for you all...and may her soul rest in peace, together with your father's.

“ I am so sorry to hear about your loss of Eunice who was so nice and cared so much about her family. The Overland Park neighborhood where she lived so many years is losing an icon. May her loved ones get thru their sorrow by remembering all her accomplishments and how she raised her family.
