“ Seeing Frances's name made me recall a very happy experience of going to Meyer Jewelrey to pick our our engagement/wedding rings. Leo only wanted Frances to wait on us.

She was a neat lady and we both respected her opinion. Somehow I think that Leo,z'l, who just died in May might have had dealing with her from the family Shalinsky Drugs.

My sincere condolences

“ Condolences to the family of Fran Bernat. I too have suffered the loss of a dear family member. I found comfort in the scriptures at Psalms 37, 9 through 11, which reads, “For evildoers themselves will be cut off, But those hoping in Jehovah are the ones that will possess the earth. 10 And just a little while longer, and the wicked one will be no more; And you will certainly give attention to his place, and he will not be. 11 But the meek ones themselves will possess the earth, And they will indeed find their exquisite delight in the abundance of peace.” Soon our Grand Creator will restore righteous mankind all aspects of perfect health; physically, mentally, emotionally and spiritually. If you would like to learn “how” this will all soon take place you can reach me at gnee.strange@gmail.com or visit www.jw.org. Best regards,
