“ Barbara, Judy and Phyllis--I have such fond memories of being at your house growing up and spending time with your mom--she was always soooo much fun and totally irreverent--loved how she just said what she felt. She taught me the importance of always being yourself. May her memory forever be a blessing for you and your family. Fondly, Gayle Krigel

“ Barbara, Judy, Phyllis and family,
I just learned that my “Cookie” passed away, and am so sad to read this. Just spoke with her a couple months back, and she sounded terrific. Please know you are all in our thoughts and prays at this difficult time. May her memory be a blessing. She will always be my “Cookie.” Love you all.
