“ I never had the pleasure of knowing him, but I know his previous daughter Janet well. She is my dearest friend. He was a great father to her and she spoke so well of the man he was. Blessings and prayers to the family at this time of deep sadness and grief. His memory will last forever. This, I know will bring comfort and great joy over the years to come.

“ Vicki what a great service you and your family had today! It was really good how the Rabbi and Fred's friend from ZEP talked about how he knew his products and knew what the people that used them wanted....How ever, as being a lifelong neighbor that Melvin and I are! We must say that "OL Fred" had his own ZEP testing facility, his burn barrel! Being in the country we all had them but Fred's would have big explosions, sometimes with clouds above! When I would go over and ask what was that? Fred would grin from ear to ear and say "Testing another ZEP spray can, It was good wasn't it" Yes it was Fred! RIP OL Pyro Fred the neighborhood will never be the same with out you or the 1000 dogs and coyotes barking from your bombs! Vicki anything you need!

“ So sorry to hear this news I lived next door on 223rd from my teenage years but always crossed paths with one of the Boys or Vicki every now and then. Great family! It's tragic to loose your loved ones no matter what your family will be in my Prayers.

“ Dear Vickie,

We will keep you and your family in our prayers and thoughts. There is a Jewish term called Chanukah, it not just about what you can hold in your hands that matter. It about what you can hold in your heart. Think on the good times.

“ So sorry to hear this. Fred was a wonderful and positive person. So fun loving and energetic. He was a mentor to me in my career at Zep. We had good times working together and fond memories of our families at the farm and in your pool. May Fred rest in peace shalom.
