“ Dear Siegel Family,

I am writing to convey my condolences. Having experienced parental loss at a young age, I can imagine how difficult of a time this is for you all. I know Warren's spirit and best characteristics will continue forward in all of you.

I work at OMB with Matthew and can say Warren and Louise raised a conscientious, thoughtful, and genuinely kind individual. Warren's legacy continues.

We are all thinking of you and sending you strength.

Sincerely,
Nicole Fernandes

“ Marla, Ed and family,
So sorry to hear of the loss of your father. Although he lived a fairly long life, I'm sure you and the kids would've enjoyed a few more years. May his memory be a constant blessing to you and your family.
