“ I am heart broken and saddened by this news. Igor and I worked together and he was the BEST teacher in helping me come up to speed when I joined Okta. Besides work topics, we bonded over our Eastern European roots, our families, the similarities -- our stubbornness and our innate skepticism. He was extremely supportive and always there to help when I lost my father to Covid earlier this year. His kindness, calmness and genuine concern will never be forgotten.

I've still got his favorite rum recommendations saved on my "must try" list.

To Igor's family--my deepest condolences. May his memory be eternal and may all those memories bring you peace in the days, weeks and months to come. He was taken too soon and it was a blessing to have known him.

You will be forever missed my friend! You will forever be remembered.

“ I was shocked and saddened to hear of Igor's passing. My deepest sympathies to Nadia and the rest of the Sorkin family. I worked closely with Igor... he was a great guy and a good friend.

We listened to music together on road trips (sometimes Igor's recorded guitar playing), dreamed and contemplated new business ventures (one we tried), did great work together, shared stories about our families, laughed and had fun. He was genuine, a pleasure to know and he will be missed.

Gone too soon my friend. May strength be with your family.

“ I know Igor over 10 years and one of my favorite person. He is clear with who he is and present to you an unfiltered version when you interact with him! A committed and loving dad, loyal to his family, and a great friend! He is the person I leaned on when there is a crisis at work! I got to know him better during the India trip and get to know him as a wonderful human being. I'm going to miss him like all his surviving family!

“ My deepest condolences and sympathies to all of Igor's family. Igor and I were colleagues over the past year and we grew closer over our love of music. He never had to "try" to be the smartest one in the room; he was. It was such a pleasure getting to know him and his presence will be so missed by all of us.

“ Igor,

Just the little time we worked together, and many great work trips we experienced, I had enough time to see how amazing of a person you were. I am glad we got to share many memories in the short time together. You were always the smart one in the room, and I learned a lot from you! My family sends condolences and we will be praying for your friends and family. May you Rest In Peace.
