“ Jackie, we shared so many good times together at your group residence in Olathe. Laughing at the old sit-coms together - when you got tickled at Barney on the Andy Griffith Show you had the the happiest laugh I've ever heard. I don't think you ever met a dog you didn't like. You took delight even just seeing a dog taking a walk outside. You liked words, if you heard an unfamiliar word, you would ask what it meant and how to use it in a sentence. What a delightful lady you are!
