“ I just learned of Jimmy's passing and am saddened beyond words. How could I have not known? We had just come back in touch after many years and I was looking forward to hearing and sharing many more stories. The memories have washed over me like an incoming tide. We were so young, full of life and ready to take on whatever life handed us. We laughed, a lot, and that is what I will hold most dear. To William, you do not know me but what I do know of you is how deeply Jim loved and cared for you. Please hold his memory close and let it guide you along your journey. To Mrs. Cohen, thank you for teaching me about driving in snow. Not a winter passes that I do not hear you in my head, "Drive in low gear, dear. I want you getting home safely." To Kenny, thank you for the use of your condo, so many, many years ago. Jimmy and I both nurtured the thought that mountains, wherever they may be, were our happiest place on earth. To Jim, I hope he has passed to the next happiest place. Rest in peace, my friend. I will miss you.

“ I knew Jim from his Sheffield days. He was quite the character then. Working at Consolidated I saw him almost daily. I will miss both his smile and laughter with some of the pranks we pulled on each other. May his soul rest in peace

“ So sorry to hear of Jim passing. Jim was a fun and out going person to work with at Lukas liquors. Never a dull moment with him at all but he would always have to have his olives or pickles but would always share them. We at lukas liquors will remember the good and fun times with jimbo slice as we would call him. Especially in the st Patrick's parade in martin city. I sure will miss my friend Jim.

“ My Dad worked six days a week during my childhood, he was always happy and a joy for me to be around. He taught me to camp and to enjoy the outdoors. I could always rely on him to be a good listener and to give me thoughtful advice. He stuck with me through thick and thin. I will always miss him and his quiet way. His loss is a huge weight to bare. It was too soon and he had a lot of life before him. It kills me to go on without him but I find a small amount of consolation in the good memories we made over my lifetime.

“ My late mother, Rosalie (Blender) Bronfman, and Jimmy's dad, Gerald, were raised like siblings although she was his aunt. When I was 7 or 8 I met my second cousin Jimmy when my cousin Gerald invited me to join them to go horseback riding. Jimmy was a very kind host! And horseback riding was fun. My deepest condolences to you, Zelda. I wish there had been more memories to share, but our lives go in so many crazy directions. May Jimmy's memory forever be for a blessing.
