“ I will never forget how happy she was while we were with her in Scotland. She was so funny when she walked out of the restaurant and said "this is great, you don't have breakfast until noon".

We were blessed to have known her and been able to spend some time with her in Scotland and dinners in Florida. She always had a smile on her face.

With all our love to the family,

“ Jeane, you are the best model of what a mother-in-law should and can be; giving and loving; very respectful and not intrusive. I hope I can be as good a mother-in-law to my son's wives (when they have wives) as you have been to me for the past 27 years. We all love you and will miss your great sense of humor and style. Love,  
Robin
