“ Aunt Jan was fun, quick witted and had a sharp sense of humor. The first thing I remember was that she was clear about who would be sitting at the kids table. And it wasn't going to be her! Loved that my mom and Aunt Jan used to be telephone calling buddies after Aunt Ellie died. That meant they would talk with each other at the end of every day. My mom truly appreciated that and so did I!

“ So many memories, so little space to share them. She was feisty, elegant, quick witted, and loved Carolyn and I as we loved her. Aunt Jan... we need more time to talk to you. We will miss you terribly.
