“ Barb and Harold,

When I saw the picture of your mother in Village Shalom on the wall, I knew she belonged to you! I am so sorry for your loss. I hope the good memories of her will soon outweigh your grief. Thinking of you...

“ We are so sorry for your loss...your mom was a lovely lady. Our last visit with her was just previous to Jan's passing while she was visiting Jan and Steve in Atlanta.

“ Joan and Stan were our backyard neighbors in Overland Park for about 15 years. I enjoyed my conversations with them and was very happy they were our neighbors. Joan was particularly soft-spoken, kind, and considerate. May many fond memories of good times with Joan now help to comfort all the members of her family.

“ Loved all the Mindlins, as they lived across the street from me when we first moved to KC ...barb was our first baby sitter( the kids are now fifty plus!). And how I loved Joan, with her hugs and precious smile! So saddened to learn of her passing and extend my sympathy to all her family! Marilyn Gottlieb Koshland

“ I fondly remember Joan. Joan and Stan were very good friends of my mom an dad. They shared pot luck dinners as well as poker card games for many years. Joan played bridge once a week with my mother. Many recipes were shared. She had the prettiest smile and was always welcoming to me. I sat with her for our holy days at the New Reform. When I left, hoping she would join us at our new temple, I thought of her and still wished she was by my side. She loved her kids more than anything and talked about them constantly. Her smile and gracefulness will be sorely missed.

I was so sorry to hear of her passing. No one can replace her.

“ We had known Mindlins for 30 years, Barbie still in school with our younger son. Dinners of Joan were a delight. She was a super cook. Stan, her husband, and us loved Smith Mtn lake boating visiting, TE services, we saw each other when they moved away too. Joanie had a colorful life was gracious lady and good friend. She will live in our hearts forever. We met at a party, when Robert who had a Mindlin professor colleague asked if they are related Stan replied, yes my brainy cousin! Friendships for 30 years! Sad they end but not forgotten. Love to all of the family, Barbie , the best daughter ever! Agnes and Bob Heller, Burlington, NC
