“ Dear Sandy,
I am so sorry for Larry's passing. He was such good and kind man; so good and so interesting, too. He was so good to offer to walk my dog when he was walking yours. He always seemed to have others' welfare at heart.

“ Dear Sandy,
I am so saddened to hear of Larry's passing. May you find peace in your memories of life and love with such a wonderful and giving man. He was a mensch among the finest. So kind and compassionate, I often marveled how often he made himself available to those in need. I will think so warmly and never forget my friend of so many years. I enjoyed so much watching him discover his natural gift for creating such beautiful ink calligraphy drawings and also ceramics! My sincere condolences for your loss.

“ Although we have only been friends for a short time, you both made a great impact on our lives. Memorable time of our limo ride to Shmuel's wedding in New York. So glad we were able to share it. We hope all the good things said and memories pleasantly expressed will provide some comfort. Love Joseph and Debbie Adamous

“ Sandie,
We were so saddened to hear of Larry's passing.

We want you to know we appreciate your involvement and interest in our lives and our kids' lives. We're glad you were able to attend Rachel and Gavi's wedding in 2016 in Philadelphia/New Jersey.

Knowing you both has been a blessing. We enjoyed seeing Larry walk the dog around the Pinehurst neighborhood. I will miss being able to pop over to your house and catch up on life. Thank you, Sandie, for sharing your story at our Women's Philanthropy program on Growing Healthy Families. As I've shared with you, I am a carrier of FD -- Familial Dysautonomia, which afflicted both Ben and Marty. I will carry their stories -- and yours -- with me forever!

Wishing you comfort amongst the mourners of Zion and Yerushalim.

With love,
Lisa and Jerry Bernard
