

Mildred Leonard Statland

January 6, 1928 - July 7, 2012

Mildred Leonard Statland passed away July 7, 2012 peacefully in her home surrounded by family and friends. Born in Jacksonville, FL, she moved to Kansas City in 1962 where she lived with her beloved husband Morris Statland for 42 years. She was known for her kindness, generosity and free spirit. We remember fondly her stories of “flying” off her roof as a child, sinking a car in the Atlantic Ocean, and how our father picked her a “forbidden” Magnolia bloom. We also remember that she helped people in need, making possible a college education, the down payment on a house, and providing counseling in their time of need. She was a docent at the Nelson Art Gallery for over 40 years, and worked as both a school teacher and realtor. She was a member of the Congregation Beth Shalom in Kansas City and B’nai B’rith. She was preceded in death by her husband, her brother Aaron Leonard, and beloved Aunt Sylvia. She will be missed greatly by her children: Larry Statland and his wife Catherine (Bealle) Statland, Jeffrey Statland, and Barbara Statland; her sister: Ruth and her husband Paul Zimmerman; her grandchildren: Max, Eli, and Danny; her many nieces and nephews: Marcia and David, Susan and Norman, Lynda and Howard, Elaine and Jim, and Bill and Diana, and all of their children and grandchildren; and her caregiver of many years Elizabeth. Donations will be accepted in her name at the Alzheimer’s Association of America.

“ Jeff, I was so saddened to read of your Mother's death. She was such a good friend to Arthur, and I always enjoyed chatting with her during the gradeschool years; but it was later, when I got to know her while working with Paul Hamilton, that I realized what a truly good and generous person she was. She offered her help to many people...both financially and personally. I feel privileged to have known her.

“ Larry & Jeffrey:

My mom, Queenie, worked for your mom when you were both very young. I recall Mom sharing stories of how gracious and charming your mother was and how she enjoyed being around her.

I'm so sorry to learn of her passing and hope that you will be sustained by precious memories of her life.

“ Larry and Catherine, Jeffrey, Barbara,

Your mother was one of the most lovely, smart, and kind ladies I have ever known. As one of your babysitters, I came to see your mother as a role model. She was an inspiration to me as a wife, as a mother, and as a woman who continued to learn and grow and show interest in the lives of everyone she touched.

I read your mother's obituary with deep regret that I had lost touch with her over the years. My condolences to all of you.

“ We were very sad to learn of your mom's passing. She was always especially attentive and kind when Leslie was new to Kansas City. May your memories of her always be for a blessing.

“ We have sooooo many fond memories of your mom (and dad). They were so proud of all of their mining adventures in North Carolina with our parents Norman and Marily Jacobs. We shared so many good times (the soda fountain, polishing stones and just talking). I am so sorry for your loss. You all all in our thoughts and prayers.
