“ To my dearest family , Nancy, Hildy,, Matt and Ruth and all cousins..  
My deepest sympathy on the death of our beloved Miles. I am so deeply saddened as I remember Aunt Margaret and Uncle Joe who was my father's sister and brother in law. We shared so many good times in our childhood and remained dear friends as adults. I feel that Miles always enjoyed life to its fullest. He was always on board to have a great party for his birthday..Life was a celebration to him. I will miss him dearly. May his memory be a blessing.  
Sending all my love, Susan Kopperman Ross

“ It was forty-four years ago now. I was a young kid trainee at Commerce Bank, in Kansas City. Miles took me to lunch one day and asked if I would like to come to Stern Brothers, as a trainee. He set up up, and off I went. During his life, I was able, several times, to thank him for his help. I might have never been on my way without his support. He was always kind and thoughtful and a gentleman. I wish him well in his new adventure. He will always have a place in my heart.
