“ Hamburg family - I remember Natalie as being a great friend to my Mom over the years. I remember our house being full of Avon products. May your sorrow be comforted by fond memories. You have our deepest sympathy, from Sheryl, Marty, Marcy, and Evan Rattner

“ I don't need to tell you what a neat gal Natalie was. I remember meeting you both at Edie/Robert Silbergs(z'l)

One of my favorite memories is when Natalie told me that Alan had a heart attack was hospitalized. About the time the Household;s gold fish died. Not wanting her cute kids to think that would happen to Alan-she rushed to Katz Drugs at closing time and insisted they sell her another gold fish so the children would be comforted.

Sincere condolences.

“ Alan and family, Bernie and i were so sorry to hear about Natalie. I always admired how quick and sharp she was and was so sad about her long illness. She was one of a kind. I used to enjoy playing bridge with her and will miss her. My best to you and your family.
