“ Dawn: your mother and I were born 10 days apart. Our parents were friends before we were born. Roberta and I were close friends from forever. If you ever want to know more about her childhood and high school please contact me. We never lost touch and spoke often. Losing her is like losing my sister.

“ Hi Dawn,
I don't know if you remember me, but I'm Jennifer Simon and we were good friends when we were little. My mom saw that your mom passed and we wanted to let you know we were so sorry and we were thinking of you. I live in NY, but the next time I'm in KC, I could scan some pictures and send them to you if you'd like. Feel free to email me when and if you want.

“ Dear Julius, Debbie and Family, Harvey and I are so sorry to hear about the passing of your sister Roberta. She called us from time to time and was always so bubbly on the phone. I just wish we could have seen each other in person. Rest in peace Roberta! Love, Sharon & Harvey

“ To my friends and to Roberta's family, my heart is heavy with the knowledge of her passing. From growing up with her a couple of houses away, and from her reaching out to us at my Mom's funeral, it just doesn't seem fair or real that this is happening to our contemporaries. Live life while we can!!
My thoughts and prayers are with the Family.

“ I was saddened to read of the passing of Roberta. Please accept my deepest sympathy on your loss.
I still use the recipes she taught at a workshop she conducted while I was Beth Shalom Sisterhood President. I often think of her when I use them. I have not seen her in several years, but my prayers are with the family in your healing.
May her memory be for a blessing.

“ I'm so sorry about Roberta. I knew her from the time I was a little girl, which was quite some time ago. I had not seen her in many many years.
Thinking of you all.
